BEYOND HOLLYWOOD INTERNATIONAL FILM FESTIVAL

May 4 - 6, 2023
Fine Arts Theatre
8556 Wilshire Blvd.
Beverly Hills, CA 90211

Dear Potential Sponsor,

We are writing to request your support as our corporate sponsor for the 2023 Beyond Hollywood International Film Festival. Your support in the form of investment will enable us to organize an experience that will help independent filmmakers share their work with distributors, networks and streaming platforms with hopes to secure distribution deals. The event will be held online from April 26th – May 5th and capped off by our Screening and Award's Night on May 6th at the Fine Arts Theatre in Beverly Hills, CA.

To ensure the success of our festival, we are seeking partnerships in the form of financial backing, and key stakeholders' involvement to support and promote our efforts. In return, we will advertise your brand throughout our social media, marketing campaign, and the event itself. In committing to becoming a sponsor, your company will be assured high-profile exposure to our audience and submitters. We take this opportunity to invite you to create an alliance with us.

We are grateful for your consideration of this proposal. Please take a look at the enclosed opportunities and generously consider supporting this initiative. We look forward to discussing partnership opportunities with your company and building a lasting relationship.

Sincerely,

Chez Andrews-Bey - BHIFF (CFO)

ABOUT BHIFF

BHIFF is a federally recognized 501c3 nonprofit. In 2019, we created our festival and entitled it “Beyond Hollywood” because we want to lend a hand beyond Hollywood to creators and artists in marginalized groups who rarely have a chance to share their stories beyond their own communities. We partner with production houses and distribution companies to connect these filmmakers with professionals that can help take their projects to new heights. Film can be a very tedious and expensive art form and we take pride in helping overlooked communities have access to the means of distribution that they normally wouldn’t.

Our Mission

“To recognize overlooked individuals and communities who seek to inspire, educate and share their world through film”

Our following and popularity is growing consistently from year to year. As part of our content marketing strategy, we will be implementing our Beyond Hollywood Podcast on Youtube where we will be interviewing industry professionals plus consistently posting short form content across all platforms. We understand that we only succeed when our partners succeed, which is why we are so focused on creating the perfect activation to fit your needs and budget.
